

David LUBELL
Curriculum Vitae – July 2014

ADDRESS:	<i>Professional</i>	<i>Personal</i>
	Department of Anthropology University of Waterloo Waterloo, ON N2L 3G1 Canada FAX: + 1 (519) 746-7326	97 John Street West Waterloo, ON, N2L 1C2 Canada Tel.: + 1 (519) 745-0175
Email:	dlubell@uwaterloo.ca	dlubell@bell.net
Webpage:	http://www.arts.uwaterloo.ca/~dlubell/Index.htm	
PERSONAL:	Born 22.01.1942 at Boston, Massachusetts – Canadian & UK citizenship.	
EDUCATION:	B.A., Columbia University (Anthropology), 1964. Ph.D., Columbia University (Anthropology: Prehistoric Archaeology), 1971.	
LANGUAGES:	English (fluent); French (read & speak); Portuguese, Italian & Spanish (read)	

UNIVERSITY CAREER:

Department of Anthropology, University of Alberta: Assistant Professor (1969-1975), Associate Professor (1975-1984), Professor (1984-2001), Professor Emeritus (as of 1 July 2001)
 Department of Anthropology, University of Toronto: Visiting Associate Professor (1976-1978)
 Department of Anthropology, University of Waterloo: Adjunct Professor (2005-)
 Department of Sociology and Anthropology, University of Guelph: Special Graduate Faculty (2007-2009)

MAJOR ADMINISTRATIVE APPOINTMENTS & COMMITTEE EXPERIENCE:

University

1989-99 Chair, Department of Anthropology, University of Alberta (elected, 3 consecutive terms)
 1989-99 Faculty of Arts Evaluation Committee (as Department Chair)
 1993-94 Executive Committee, University Chair's Council
 President's Advisory Committee of Chairs
 1997-99 Executive Committee, University Chair's Council
 President's Advisory Committee of Chairs
 University of Alberta Employment Equity Committee
 2001-04 Associate Chair (Undergraduate Programs), Department of Anthropology, University of Alberta

National

1981 Graduate Fellowship Competition Committee 11, Social Sciences & Humanities Research Council
 1996-2000 Advisory Board: Centre d'Études Interdisciplinaires sur les Lettres, les Arts et les Traditions (CÉLAT), Université Laval.
 1996-98 Research Grant Adjudication Committee 16 (Societies and Cultures): Social Sciences & Humanities Research Council (Chair for 1998).
 1997 Special advisory committee to Director, Research Grants Program, Social Sciences & Humanities Research Council.
 2000-2005 College of Reviewers: Canada Research Chairs Program, Government of Canada.
 2011- Research Grant Adjudication Committee 16 (Anthropology and Archaeology): Social Sciences & Humanities Research Council.

OTHER UNIVERSITY ADMINISTRATION & SERVICE

- 1969-70 Arts Faculty Executive Council; General Research Fund Committee; Undergraduate Curriculum Committee (Department); Graduate Admissions Committee (Department).
- 1970-71 Graduate Degree Requirements Committee (Department); Staff Appointments Committee (Department); Research Committee (Department).
- 1971-72 Arts Faculty Executive Council; Undergraduate Curriculum Committee (Department).
- 1972-73 Human Research Committee (Department).
- 1974-76 Coordinator, University of Alberta Archaeological Field School.
- 1979-80 General Faculties Council, Selection Committee for Dean of the Faculté St. Jean; Committee for Instructional Evaluation (Department); Acting Chair (July-August), Department of Anthropology.
- 1981-83 Research-Programs Coordinator (Department); Visiting Speakers Committee (Department).
- 1982-83 Chair, Laboratory Collections Committee (Department); Departmental Liason, 75th Anniversary Symposium on Human Evolution.
- 1982 Chair, Dean of Arts Advisory Committee on Plagiarism and Academic Dishonesty.
- 1982-83 Member, Data Library Advisory Committee (University).
- 1982-85 Member, Arts Faculty Tenure Committee.
- 1983-85 Elected member for Arts, General Faculties Council.
- 1983-85 Member, Ad Hoc Committee of V-P (Research) on Academic Fraud.
- 1985-87 Member, Faculty of Arts Research Committee
- 1985-89 Elected member, Faculty of Arts SAS Committee
- 1987-88 Elected member, Selection Committee for the Dean of Arts
- 1990-93 Member, Social Sciences Working Group, Central Research Fund
- 1994 Elected member, Killam Annual Professorship Selection Committee
- 1998 Chair, subcommittee to revise evaluation criteria for sabbatical leaves: Faculty of Arts Evaluation Committee
- 2006 Promotion review committee, University of Waterloo

PROFESSIONAL ACTIVITIES

National

- 1974 Co-Chairman, Conference on Lithic Technology, Calgary.
- 1976-80 Member-at-large (nominations), Canadian Society of Archaeology Abroad
- 1981-83 Member, Committee of the Canadian Society for Archaeology Abroad to gather information on funding of overseas archaeology.
- 1983-84 University of Alberta Representative, Social Sciences Federation of Canada.
- 2003 External reviewer, Department of Anthropology, University of Winnipeg.
- 2007-11 Chair, Benefits Committee: College and University Retirees Associations of Canada.
- 2008- Regional Representative: Academics for Higher Education and Development/
Universitaires pour l'éducation supérieure et le développement (AHED - UPESED)
- 2011 SRG Adjudication Committee 16, Social Sciences and Humanities Research Council of Canada

International

- 1975-80 Full Member (Mediterranean Africa) INQUA Regional Subcommittee for Study of the Holocene of the Mediterranean and the Near East.
- 1975-77 Chairman, Steering Committee, Society of Africanist Archaeologists in America.
- 1977 Co-organiser, 1977 meetings (New Orleans) of Society of Africanist Archaeologists in America.
- 1983 Co-organiser, Symposium on Culture and Environment in the Late Quaternary of Africa, Seattle.
- 1985-90 Editorial Board, *The African Archaeological Review*.
- 1989- Scientific Advisory Board, *Sahara*.
- 1994-97 University of Alberta representative, Canadian Academy in Italy

- 1996 Invited member, conference organizing committee: Prehistory of European Plains, Construction from Organic Materials and Structural Remains as a Reflection of Human Culture. Institute of Material Culture History, RAS (St. Petersburg) and State Historical and Art Museum of Sergiev Posad (for July 1997, but could not attend due to lack of funding).
- 2002-2008- Advisory Editorial Board, *PALANTH: International Journal of Palaeoanthropology*.
Investigador asociado, Instituto Internacional de Investigaciones Prehistóricas de Cantabria, Universidade de Cantabria, Santander, Spain
- 2010 Co-organizer (with N. Barton, Oxford), workshop on “Gastropods and humans in the Late Palaeolithic and Mesolithic of the Western Mediterranean”, MESO2010, Santander, Spain.
- 2012 Program Committee, 21st Biennial Conference, Society of African Archaeologists (SAfA), Toronto, June.
- 2012 Chair and organizer, “Northwest African prehistory: recent work, new results and interpretations”, 21st Biennial Conference, Society of African Archaeologists (SAfA), Toronto, June.
- 2013- Member, UISPP Commission on Holocene hunter-gatherers in southern Europe and the Mediterranean/Pontian basin.
- 2013 Co-organizer (with H. Macbeth, Oxford Brookes University) IUAES 2013, Panel BH02, Co-evolution of humans and their foods: cross-disciplinary perspectives (IUAES Commission on the Anthropology of Food and Nutrition. Manchester, UK.

Major Editorial responsibilities

- 1980 Editor, *Canadian Journal of Anthropology*. Vol. 1, Nos. 1 & 2.
- 1982-88 Editor and publisher, *Nyame Akuma, a newsletter of African archaeology*, Nos. 21-30.
- 1985 Editor, *Canadian Journal of Anthropology*, Vol. 4, No. 2.
- 2008 Co-Editor (with N. Barton and A. Bouzouggar), Modern Human Dispersals, Environments and Cultural Change in the Late Pleistocene of Northwest Africa, special issue of *African Archaeological Review* 25 (1/2).
- 2011 Co-Editor (with N. Barton), Gastropods and Humans in the Late Palaeolithic and Mesolithic of the western Mediterranean Basin, special issue of *Quaternary International*, 244 (1).
- 2013 Editor, Northwest African prehistory: recent work, new results and interpretations, special issue of *Quaternary International*

RESEARCH INTERESTS AND EXPERIENCE:

Late Pleistocene-early Holocene prehistory of the western Mediterranean, especially southern Europe and the Maghreb, emphasizing human-environmental relationships and the interdisciplinary analysis of palaeoecological, palaeoeconomic and bioarchaeological data.

- 1963-64 Assistant Archaeologist, Columbia University Near Eastern Expedition (Turkey and Syria).
- 1965-66 Assistant Archaeologist, Southern Methodist University Texas Archaeological Salvage Project.
- 1965-66 Research Assistant, Anthropology Research Center, Southern Methodist University.
- 1966-67 Archaeologist, Southern Methodist University Prehistoric Expedition (Egypt).
- 1967-68 Research Associate, Department of Anthropology, Southern Methodist University.
- 1970 Archaeologist, Permanent Mission of the American Museum of Natural History in Afghanistan.
- 1972-83 Principal Investigator, “Prehistoric Cultural Ecology of Capsian Escargotières” (Algeria).
- 1975 Co-investigator for Late Pleistocene: Joint Spanish-French-American Prehistoric Archaeology Project in Spain.
- 1984-89 Principal co-investigator (with C. Meiklejohn and M. Jackes), “The Mesolithic-Neolithic Transition in Southern Portugal”.
- 1989-97 Principal co-investigator (with M. Mussi and S. Agostini), “Late Pleistocene and Early Holocene Subsistence and Settlement in the Fucino Basin, Central Italy”.
- 2000-04 Principal co-investigator (with M. Jackes, F. Bamforth, H. Schwarcz) and in collaboration with P. Arias (Santander), N. Cauwe (Brussels), E. Cunha (Coimbra), M.D. Garralda (Madrid): “Late Prehistoric Populations of the Western Mediterranean and the Atlantic façade of Europe”.

- 2010- Archaeologist, “La implantación de las especies domésticas en la Europa atlántica: Cronología e impacto en la dieta humana”: Subprograma de Proyectos de Investigación Fundamental no orientada, Spain, directed by Dr. Pablo Arias Cabal, Universidad de Cantabria.
- 2011- Archaeologist, “Coastal transitions: A comparative approach to the processes of neolithization in Atlantic Europe”: Subprograma de Proyectos de Investigación Fundamental no orientada, Spain. Subproject 01: From shell middens to crop fields: The transition to the Neolithic in the coastal regions of SW Europe, directed by Dr. Pablo Arias Cabal, Universidad de Cantabria; Subproject 02: Techniques of Archaeological survey applied to the study of the Mesolithic and Neolithic settlement of Western and Central Iberia, directed by Dr. Enrique Cerrillo, Consejo Superior de Investigaciones Científicas (Instituto de Arqueología de Mérida).

RESEARCH GRANTS and other awards:

- 1964-65 Near and Middle East Institute Scholar, Columbia University (12 months).
- 1970 General Research Fund and President's Fund for the Humanities (University of Alberta): Travel to assist in Afghanistan project.
- 1971 Wenner-Gren Foundation: Travel to attend 7th Panafrican Congress of Prehistory, Addis Ababa.
- 1972 Wenner-Gren Foundation: Grant-in-Aid for initial prospection in Algeria.
- 1973-74 Canada Council: “Prehistoric Cultural Ecology of Capsian Escargotières, Algeria”.
- 1974-82 Social Sciences and Humanities Research Council of Canada: Four major grants for “Prehistoric Cultural Ecology of Capsian Escargotières, Algeria”; Principal Investigator.
- 1974-75 Alberta Heritage Sites (jointly with the Department of Anthropology): Two grants to establish and then continue an archaeological field school which I coordinated.
- 1981 Honorary Visiting Fellow, Australian National University (4 months).
- 1982 Central Research Fund, University of Alberta: Funds for a prospection trip to the Sudan (returned when the project proved less feasible than expected).
- 1982-85 Vice-President (Research) Discretionary Fund, University of Alberta: Funds to assist publication of *Nyame Akuma, a newsletter of African archaeology*.
- 1982 Central Research Fund, University of Alberta: Grant for prospection trip to Portugal.
- 1982 Central Research Fund, University of Alberta: Travel to attend 9th Panafrican Congress, Jos, Nigeria.
- 1983 Social Sciences and Humanities Research Council of Canada: Conference grant for symposium on “Culture and Environment in the Late Quaternary of Africa” (returned, unspent, when it proved impossible to hold the conference in Canada).
- 1984-89 Social Sciences and Humanities Research Council of Canada: “The Mesolithic- Neolithic Transition in Southern Portugal” (Principal Investigator in collaboration with C. Meiklejohn and M. Jackes).
- 1985 Social Sciences and Humanities Research Council of Canada: Travel to attend III International Symposium on the Mesolithic in Europe, Edinburgh, March-April 1985.
- 1985 Central Research Fund, University of Alberta: Travel to attend III International Symposium on the Mesolithic in Europe, Edinburgh, March-April 1985.
- 1986 Central Research Fund, University of Alberta: Travel to attend International Symposium on Physical Anthropology and Prehistoric Archaeology: Their Interaction in Different Cultural Contexts in Europe from the Later Upper Palaeolithic to the Beginning of the Historical Times. Rome, October 1987.
- 1988 Central Research Fund, University of Alberta: “Human Biology of the Mesolithic-Neolithic Transition”.
- 1989 Endowment Fund for the Future, Faculty of Arts, University of Alberta: “Diet and chronology of the Mesolithic-Neolithic transition in Portugal”.
- 1989 Central Research Fund, University of Alberta: “Prehistoric subsistence and change in the Fucino Basin, Central Italy”.
- 1991 Central Research Fund, University of Alberta: “Subsistence and Settlement in the Fucino Basin, Central Italy”.
- 1992 Central Research Fund, University of Alberta: “Prehistoric transitions: evidence from Central Italy”
- 1992 Professore Visitatore, Università di Roma “La Sapienza” (2 months).
- 1993 Central Research Fund, University of Alberta: “Archaeology and Human Biology of the Northern Chinese Neolithic” (with M. Jackes).

- 1994 Endowment Fund for the Future, Faculty of Arts, University of Alberta: “Early Holocene human-environmental relationships in the western Mediterranean”.
- 1995 Central Research Fund, University of Alberta: “Murder, mayhem or ritual? Evidence from the prehistoric Maghreb”.
- 1998 Central Research Fund, University of Alberta: to present invited paper with M. Jackes, “Burial, seasonality, and settlement in the Portuguese Mesolithic”, Society for American Archaeology Meetings, Seattle, March 1998 (declined when attendance impossible, paper read by session organizer).
- 1998 Central Research Fund, University of Alberta and Endowment Fund for the Future, Faculty of Arts: “Dynamics of late prehistoric populations in the Western Mediterranean”.
- 2000 Visiting Fellow, Department of Archaeology and Palaeoanthropology, School of Human and Environmental Studies, University of New England, Armidale, NSW 2351, Australia (Feb.-June).
- 2000-04 Social Sciences and Humanities Research Council of Canada. “Late Prehistoric Populations of the Western Mediterranean and the Atlantic façade of Europe”. Principal Investigator in collaboration with M. Jackes, F. Bamforth, H. Schwarcz, (Canada), P. Arias (Santander), N. Cauwe (Brussels), E. Crubézy (Toulouse), E. Cunha (Coimbra), M.D. Garralda (Madrid) and S. Hachi (Algiers).
- 2003 Humanities, Fine Arts and Social Sciences Research Conference Travel Fund, University of Alberta: to present paper at XXIV^e Rencontres Internationales d’Archéologie et d’Histoire, Antibes.
- 2004-06 Vice-President Research University of Alberta / SSHRC GRF lapsed funds award (representing 50% of unspent funds remaining from 2000-04 SSHRC award).
- 2007-08 UW/SSHRC Conference Travel Grant to attend ICAZ 2nd Archaeomalacology Working Group Meeting, Santander, February 2008 (\$1060.00).

WORK IN PROGRESS:

- D. Lubell, P. Sheppard (Auckland), M. Jackes, & C. D'Andrea (Simon Fraser). Final report on research conducted in Algeria between 1973 and 1978. Monograph.
- D. Lubell, M. Jackes & C. Meiklejohn. Inventory of Mesolithic and Neolithic human skeletal collections held at the Serviços Geológicos de Portugal, Lisboa. Monograph.
- D. Lubell, M. Tarabulski & M. Jackes. "The 1930 Logan Museum Expedition to Algeria". This will be a book incorporating the diaries of American students (including Sol Tax and Lauriston Ward) taken on this first-ever overseas archaeological field school, comparing the situation to our own work with students in Algeria in the 1970s (Lubell & Jackes), and using archival materials including still and motion photography rediscovered by Tarabulski and now curated at Beloit College, the University of Minnesota, and the Smithsonian Institution.
- D. Lubell. Manuscript tentatively titled "Food for thought: land snails in circum-Mediterranean prehistory and the transition to agricultural economies".

CONFERENCE PAPERS

- 1969 "New data on the Egyptian late Palaeolithic." American Anthropological Association, New Orleans.
- 1970 "The Fakhurian." Conference on Nilotic Prehistory, Dallas.
- 1971 "The seasonal factor in Egyptian prehistory." 7th Panafrican Congress of Prehistory, Addis Ababa.
- 1972 "The prehistoric cultural ecology of Capsian escargotières, initial results." Society of Africanist Archaeologists, Dallas.
- 1974 "The Capsian of Algeria, a study of Holocene subsistence." American Quaternary Association, Madison.
- 1975 "The prehistoric cultural ecology of Capsian escargotières, second report." Society of Africanist Archaeologists, Boston (with F. Hassan), Abstracts, p. 84.
- 1975 "Study of Holocene environment in the Maghreb (North Africa)." Conference on Non-Marine Palaeoecology, Waterloo (with F. Hassan), Abstracts, p. 13.
- 1978 "Of Snails and Men." Northeastern Anthropological Association, Quebec (with A. Gautier).
- 1980 "Prehistoric archaeological research in Algeria." Canadian Society of Archaeology Abroad, Ottawa.
- 1981 "Investigating Holocene subsistence in North Africa." Australian National University, University of New England, La Trobe University, University of Sydney.
- 1982 "Capsian stratigraphy." Society of Africanist Archaeologists, Berkeley (with M. Jackes).
- 1983 "Continuities in the Maghreb Epipalaeolithic." 9th Panafrican Congress of Prehistory, Jos.
- 1984 "A re-evaluation of early Holocene prehistory in the Maghreb. Society of Africanist Archaeologists, Portland.
- 1984 "Mid-Holocene climate and the non-origins of agriculture in the Maghreb." 17th Chacmool Conference, Calgary, Abstracts, p. 7.
- 1985 "Archaeology and human biology of the Mesolithic-Neolithic transition in southern Portugal: a preliminary report." 3rd International Mesolithic Symposium, Edinburgh (with M. Jackes & C. Meiklejohn).
- 1985 "Mesolithic-Neolithic continuity: evidence from chronology and human biology". I Reunião do Quaternário Iberico, Lisbon (with M. Jackes).
- 1986 "Mid-Holocene subsistence and demography in Portugal". 19th Annual Chacmool Conference, "Diet and Subsistence: current archaeological perspectives". University of Calgary, 8 November 1986 (with M. Jackes).
- 1987 "Portuguese Mesolithic-Neolithic subsistence and settlement". International Symposium on Physical Anthropology and Prehistoric Archaeology: Their Interaction in Different Cultural Contexts in Europe from the Later Upper Palaeolithic to the Beginning of the Historical Times. Rome, October 1987 (with M. Jackes).
- 1993 "Dental pathology and diet: second thoughts". Colloque International *Nature et Culture: relation entre la biologie et l'histoire au cours de l'évolution ancienne de l'homme*. Liège, Belgium, December 1993 (with M. Jackes).
- 1995 "Wood charcoal and palaeoecological reconstructions: an example from Kef Zoura D, Algeria". 28th Annual Mtg., Canadian Archaeological Association. Kelowna, May 1995 (with A.C. D'Andrea & C.T. Shay).
- 1995 "Exploitation of seasonal resources in the Abruzzi mountains (central Italy): from the Epigravettian to the Neolithic". 5th UISPP International Congress, 12th Commission: The Epipaleolithic and Mesolithic in Europe: Paleoenvironment, populations and cultural systems. Grenoble, September 1995 (with M. Mussi, A. Musacchio, S. Agostini, S. Coubray & C. Giraudi).
- 1995 "Human skeletal biology and the Mesolithic-Neolithic transition in Portugal" (poster). 5th UISPP International Congress, 12th Commission: The Epipaleolithic and Mesolithic in Europe: Paleoenvironment, populations and cultural systems. Grenoble, September 1995 (with M. Jackes).
- 1998 "Burial, seasonality and settlement in the Portuguese Mesolithic" (with M. Jackes). Invited for symposium, *Beyond the Lithics: Mesolithic people in Europe* at Society for American Archaeology, Seattle, March (revised version published in *Arqueologia* 24 in 1999).
- 1998 "East, north or south: how, and from where, did Neolithic economies reach Iberia?" Invited paper for symposium on *Prehistoric Iberia: Anthropology, Linguistics and Genetics*. Madrid, Spain, November 1998. Co-authored report on symposium in *Current Anthropology* 41(4): 636-638. Also delivered, by invitation, at Universidade de Cantabria, Santander.
- 1999 "Palaeoenvironment, palaeoeconomy and the Maghreb as a Neolithic 'corridor': pros and cons." Department of Archaeology, University of Newcastle, 22 September.
- 2000 "Late Pleistocene/early Holocene palaeoenvironments and the absence of evidence for development of

- agricultural economies in northern Africa.” School of Human and Environmental Studies, University of New England, Armidale, NSW, 4 April
- 2000 “Was there a North African origin for the transition to agricultural economies in Iberia?” Department of Archaeology and Anthropology, Australian National University, Canberra, ACT, 2 June.
- 2000 “Mesolithic-Neolithic population relationships in Portugal: the evidence from mtDNA”. MESO2000: The 6th International Conference on the Mesolithic in Europe. Stockholm, September (with F. Bamforth and M. Jackes).
- 2002 “Sites and Skeletons: 70 Years of Research on the Prehistoric Caspian of Algeria”. Department of Anthropology, University of Minnesota, Twin Cities Campus. 6 December 2002 (joint with M. Jackes).
- 2004 “Prehistoric edible snails in the circum-Mediterranean”. XXIV^e Rencontres Internationales d’Archéologie et d’Histoire, Antibes, October.
- 2004 “Are land snails a signature for the transition to the Neolithic in the circum-Mediterranean?” 10th Neolithic Seminar: The Neolithization of Eurasia - Paradigms, Models and Concepts Involved. Ljubljana, November.
- 2004 “Are land snails a signature for the transition to the Neolithic in the circum-Mediterranean?” Université Laval and University of Waterloo.
- 2005 Noura Rahmani & David Lubell. “Technological adaptation among Capsian foragers: the view from Kef Zoura D (eastern Algeria).” 12th Congress of the Panafrican Archaeological Association for Prehistory and Related Studies. Gabarone, Botswana.

- 2013 M. Jackes, D. Lubell. Capsian mortuary practices at Site 12 (Aïn Berriche), Aïn Beïda region, eastern Algeria. Mesolithic Burials – Rites-Symbols and Social Organisation of Early Postglacial Communities. Landesmuseum für Vorgeschichte Halle (Saale), 18-21 September 2013.

GRADUATE DEGREES SUPERVISED

- DYCK, Ian (Ph.D., 1976) *The Harder Site: A Middle Period Bison Hunters' Campsite in the Northern Great Plains*.
- SYMS, Leigh (Ph.D., 1976) *Indigenous Ceramics and Ecological Dynamics of Southwestern Manitoba, 500 B.C. - A.D. 1800*.
- WILLOUGHBY, Pamela (M.A., 1976) *An Analysis of Early Postglacial European Prehistory*.
- LOSEY, Timothy (Ph.D., 1977) *Prehistoric Cultural Ecology of the Western Prairie-Forest Transition Zone, Alberta, Canada*.
- SHEPPARD, Peter (Ph.D. 1984, University of Toronto) *A Study of Technological and Stylistic Variability in Capsian Stone Tool Assemblages (co-supervisor with M. Kleindienst)*.
- LELLO, Richard (M.A., 1990) *Molluscs and archaeology: settlement and seasonality in the Portuguese Mesolithic*.
- DUARTE, Cidália (M.A. 1992) *Analysis of wear patterns and pathological lesions in human teeth from the Neolithic site of Grutas Artificiais do Tojal de Vila Chã (co-supervisor with O. Beattie until 1991)*.
- MACKINNON, Michael (M.A., 1993) *Analysis of animal remains from four late Roman middens at San Giovanni di Ruoti (co-supervisor with A. Small, Classics)*.
- FU, Yong (M.A., 1994) *Dental and cranial nonmetric study of the Jiangzhai Neolithic population and its genetic affinity with other East Asians (co-supervisor with M. Jackes)*.
- HAVERKORT, Caroline (Ph.D. 2001) *Enamel Trace Element Composition and Palaeodietary Studies – an Exploratory Model (co-supervisor with M. Jackes)*.
- FOWLER, Kent. D. (Ph.D. 2002) *Early Iron Age Community Organization in Southern Africa: Social and Symbolic Dimensions of Ceramic Production, Use, and Discard at Ndongondwane. (committee member and de facto supervisor)*.
- †MUSACCHIO, Alberto (Interdepartmental Ph.D., co-supervisor with J. Hodgson, Earth and Atmospheric Sciences). *Geoarchaeology of the Snake Indian River drainage basin, Jasper National Park (Alberta): a GIS approach (never completed)*.
- ONJALA, Isaya (Ph.D.) *East African Middle Stone Age technology and the emergence of modern human behaviour. (committee member)*.

POST-DOCTORAL SUPERVISION

- RAHMANI, Noura: (2004-2006) Post-doctoral research grant from the Fonds de Recherche sur la Société et la Culture (FQRSC), Québec, to do analyses of Capsian lithic and bone industries excavated by DL in 1976-78 at Kef Zoura D in Algeria.

COURSES TAUGHT

- Junior undergraduate:* Introduction to Anthropology; Introduction to Prehistoric Archaeology; Introduction to Physical Anthropology; Technology in Culture; World Prehistory
- Senior undergraduate and graduate:* Lower Palaeolithic Prehistory; Middle and Upper Palaeolithic Prehistory; Prehistory of Africa; Origins of Agriculture; Lithic Analysis; Method and Theory in Prehistoric Archaeology; Palaeoenvironmental Studies; Ecological Approaches to Archaeology; Holocene Prehistory of the circum-Mediterranean; Archaeometry; Development of Archaeological Method and Theory.
